

MINI GOLF SUPPLIES

FunPutt Rubber Mini Golf Putters

The most popular mini golf putters on the market. The soft rubber head helps reduce fairway turf damage and damage to other landscaping and course structures. The FunPutt rubber mini putter helps prevent player injury and may help reduce insurance premiums. Available in a variety of putter lengths, the FunPutt rubber mini golf putter will ensure safety for your patrons and your facility.

FunPutt Urethane Mini Golf Putters

The "new" FunPutt Urethane Mini Golf Putters provide a truer putting feel and stroke than regular rubber mini golf putters. The new stylish putter offers a putt aiming line for more accurate putter strokes and it has a metal core that helps create consistent ball velocity. The FunPutt Urethane Mini Golf Putter could just be the replacement putter that you've been looking for.
