Practice Rite® - Range Balls

Upgrade the image and performance of any driving range by offering the Practice-Rite 2-piece, 50-60 compression range ball. Focusing on an emphasis to provide both durability and feel, the Practice-Rite range ball is covered with durable Surlyn material, offering a sensitive, soft feeling while providing a ball that is hard enough to resist cuts over thousands of shots. The simple printed design eliminates visual distractions and offers range goers the opportunity to improve their game through practice. VSI Golf designed this range ball around the user objective for an optimal practice experience. The resulting strike, using the Practice-Rite ball, yields true results that accurately reflect the quality of the user's golf shot every time.

Product Code	Description	Quantity	Price
PRB101	2-PC Range Ball - Regular Distance - White	12/Dozen	\$4.49
PRB201	2-PC Range Ball - Limited Distance - White	12/Dozen	\$4.49

Caddy Stacker®

The pyramid ball stacker that is built to last. The Caddy Stacker range ball system provides three different ball stacking pyramids to maximize the productivity of any golf range facility. Constructed of durable, corrosion resistant coated metal, the Caddy Stacker range ball system will upgrade the functionality and efficiency of any driving range.

ProLie® Turf Mats

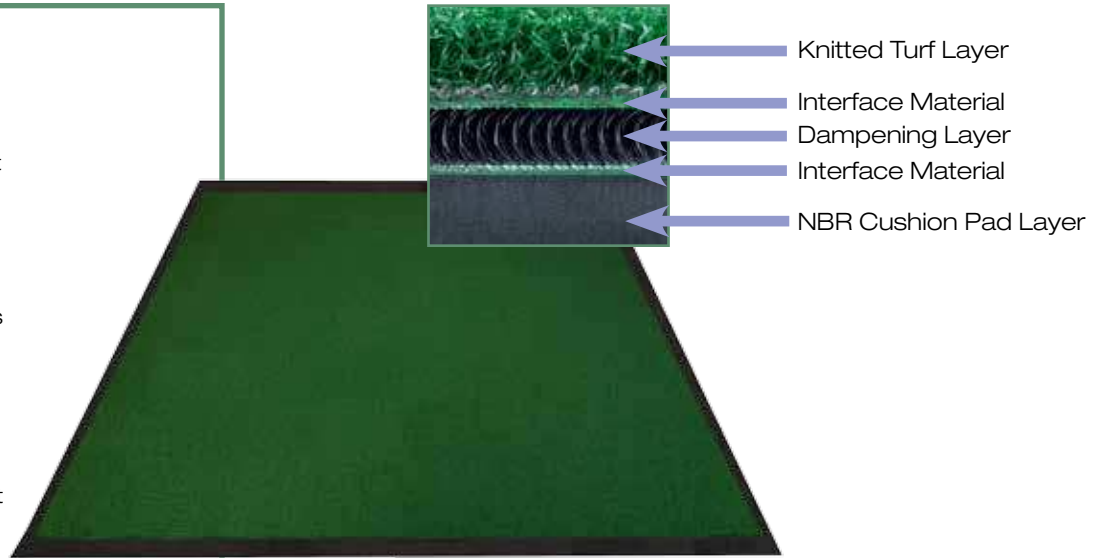

ProLie® 4D Turf Mats featuring the most revolutionary ergonomic turf cushioning system in the market! The preferred mat for Country Club use. Protect your grass tee line after a large amount of rain or during the winter months. Add ProLie® 4D mats to your existing tee line today.

ProLie® Fairway Turf Mats give the player a true feel for hitting off fairways and tees.

Product Code	Description - Mat Dimensions 59" x 59"	Quantity	Price
PLT101	ProLie® Fairway Mat	1 Mat	\$184.99
PLT201	ProLie® 4D Fairway Mat	1 Mat	\$259.99
PLT301	Turf Position Mat	1 Mat	\$104.99

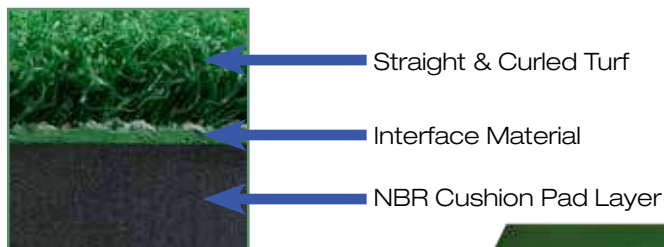

ProLie® 4D Turf Mats

The ProLie 4D mat is the most realistic simulation to a real fairway currently on the market. A true scientific breakthrough in golf mat technology, the ProLie 4D mat features an impact dampening system. The knitted nylon turf is bonded to an interface layer which protects the mat from tearing. The dampening system consists of highly elastic polyurethane fibers acting to absorb the impact of the club. The ProLie 4D mat provides an incredibly soft feel while providing extra protection to the golfer's wrists, torso and lower body. Four countersunk rubber tee holes extend the mat life providing for long usage and an exceptional value.

ProLie® Fairway Turf Mats

100% nylon mat using both straight and curled fibers. The straight fibers offer a nice fairway lie, while the curled fibers ensure the player a stable stance. The combination of these fibers creates no resistance at impact. Tee holes: 5/8" insert holes for rubber tees are centered on all sides and positioned 6 1/2" inside the mat edge. The bottom side of the tee holes are countersunk to accept the base of the rubber tee.

ProLie® Turf Tees

Long lasting and durable Rubber Tees...Practice To Perfection! Durable, flexible rubber tees retain shape and withstand heavy use. Designed to fit all driving range mats.

Product Code	Description	Quantity	Price
TTR101	Rubber Tee (Wood Tee Insert) 1 1/2"	1 Each	\$0.75
